Meet Father Wieslaw Spiewak, C.R.

Father Wieslaw Spiewak, C.R. has accepted the appointment to serve as Postulator for the cause of Mother Mary Lange at the level of the Congregation for the Causes of Saints in Rome.

A member of the Congregation of the Resurrection, Father is completing the Positio for one candidate, initiating the cause of the founder of his congregation at the diocesan level in Poland, and serving as Roman Postulator for the cause of Mother Lange. To say he has a "full plate" especially as he travels back and

forth between Poland and Rome, seems to be an understatement. Yet, trusting that since Father Wes was recommended, noting his obvious experience, and the fact that he accepted the challenge of the M. L. cause, hopes are high. "With God all things are possible." With his interest and the prayers of thousands of Mother Mary Lange's devotees, his efforts will succeed in a timely fashion.

All members of the Mother Mary Lange Circle of Prayer are called upon to lift Father Spiewak up daily that the Spirit will inspire and guide his interest and time, and will lead to success the work he has generously accepted in Jesus' name.

Way to Go, Paterson!

The Diocese of Paterson (NJ) introduced children to Mother Mary Lange through an innovative program. From the *BEACON* (diocesan newspaper) comes the heartwarming story of a curriculum designed and taught by primary teachers of St. Anthony of Padua School (Passaic) through the use of *The Mother Mary Lange Coloring Book*.

"The diocesan Communications Office in conjunction with the school launched a program introducing students to Mother Lange. Marianna Thompson, diocesan

communications director, primary teacher Rose Mary Sang and colleagues, armed with encouragement of the principal, Sr. Bernadette Agregado, OP, created a mini-curriculum around Mother Mary Lange's story..."

The story of Mother Lange became the springboard for study in various disciplines: social studies, religion, church history. Hearing of the trials and tribulations caused by slavery, segregation and discrimination, the children, reported the *Beacon*, "were happy that times had changed."

"The children watched the video *Providence Will Provide* and learned something of the canonization process. Upon hearing of the need for a miracle, the children exclaimed 'She can do it. She can do it. We'll see her a saint in our lifetime.'"

Out of the mouths of babes!

Other Paterson schools plugging into the program were St. Anthony of Padua, Our Lady of Victories, Mt. St. Joseph Children's Center, Martin de Porres Learning Center, and Public School # 4 (Newark, NJ, Grades 1-4).

Your Prayers and Continued Support Are Needed

"Commit to the Lord whatever you do, and your plans will succeed."

Proverbs 16:3

With God's blessings the documents of Mother Mary Lange have been submitted to Rome and Father Wieslaw Spiewak, C.R. has been appointed as our Roman Postulator. These two major accomplishments as well as a Development Director joining our staff have placed greater emphasis on the cause for the sainthood of Mother Mary Lange.

At the last meeting of the National Board, the process of strategic planning was begun for the Mother Lange Guild. Acknowledging the presence of God we asked for wisdom and guidance in this important biblically based precept. While it is a process that cannot be completed in a few hours, the Board was quick to devise multiple strategies that will build on the many good works accomplished thus far. The process focused on the commitment and the gifts that each member brings to this blessed, highly selective journey.

As more people inquire about the works of Mother Mary Lange and her daughters the Oblate Sisters of Providence, more and more expenses are incurred. Your prayers and continued support are needed. Help by signing up at least 10 people this summer as members of the Mother Lange Guild. The cost is only \$15 to be an informed active member of this journey.

Share the story of Mother Mary Lange with children as well as adults. Mother Mary Lange and the Oblate Sisters of Providence lived and promoted tolerance, nonviolence, dignity and virtue long before the Emancipation Proclamation. Pray for her intercession in your lives as well as the lives of others.

If you have a few hours this summer, call the office and join a strategic planning subcommittee, as we continue to focus our mind, hearts and works on the cause for Canonization of Mother Mary Lange for the Glory of God.

Work of the Spirit

By Father John Bowen, SS

One way of appreciating Pope John Paul II is to bracket his life between two concelebrated Masses with him: the Chrism Mass on Holy Thursday (1979) at St. Peter's in Rome when he invited over 1500 priests to join him in the first such celebration of the Eucharist in centuries; and a similar solemnity in Baltimore's Oriole Park in Camden Yards (1995) when he led over 500 priests and thousands of faithful in one of the last such public Liturgies he offered.

In between these we can crowd his many travels, his encyclicals, his desire for peace, unity, and freedom for nations and races and religions, his concern for youth, the sick, and the elderly, his love for the Eucharist and our Blessed Mother, and much more besides. We had hoped he might be the one to raise Mother Mary Lange to the honors of the altar.

But John Paul leaves with us a blessed atmosphere created over 26 years of noted response to the Spirit. This he entrusts to his successor, Pope Benedict XVI, who has the advantage of more than 20 years of service with John Paul, years of imbibing that Spirit. May the Father, Son, and Spirit receive John Paul into his heavenly home and pour out upon Pope Benedict an unending flow of grace and life!
